me: yeah, this shit's kicking in
Ian: Nice
Ian: How we doing?
me: pretty okay, nothing huge yet, but I feel good
Ian: They're not bunk at least
me: nope
Ian: I'm probably going to take like 4 of them
me: good idea
Ian: Does it feel like it's laced with anything?
me: nothing I can recognize
Ian: How's it going?
me: kind of faded out after a while
me: I'm still a little high
Ian: Ya, kind of feel like you need to take a few of them and then maybe drink a redbull with it or something
me: that would do it
me: I think even just two would work
Ian: That's what I took last time. It's more of a body high. Not all trippy really
